Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner contacted the applicant's representative to indicate that this application was showing up on the examiner's docket as being abandoned for failure to respond to an office action. However, the examiner noted that the Notice of Non-Compliant Amendment was sent to the previous applicant's representative (i.e. the Office never entered the information on the Change of Power of Attorney of 3-2-2005). Applicant's representatives confirmed that they had not received this Notice of Non-Compliant Amendment from the previous applicant's representative. The examiner indicated that he would have the Notice of Non-Complaint Amendment resent to the appropriate address.
